My dogs interviewed several sitters before they settled on Elisabeth. The are not easy dogs and she was great with them. When I came home they were all excited to tell me that she came and walked them. They are so grateful to be able to stay in the comfort of their own home when I travel rather than being sent to a smelly noisy kennel...to feel like they were abandoned. Thank You Elisabeth for relieving my worry :)

We love Elizabeth with Critter Sitters! My dogs are always excited to see her and they love playing with her. Elizabeth is super dependable and takes great care of our pups if we are out of town. Highly recommend!

Beth is great with my 2 pitties and they can't wait to see her for their walks 3 times a week!

Liz from Critter Sitters is absolutely amazing! Before I go into how amazing, let me give you some background.. I have gone through several companies / pet sitters to watch my pups while I go on vacation (i.e.: Rover, Shady Acres, etc.).

Unfortunately, I have had absolutely horrible experiences with them every single time. One such example (from a gal on Rover) never showed up to feed / take care of my dogs while I was hundreds of miles away! I ended up having my neighbor pull our hidden key to feed my starving dogs. That gal ended up taking the money and runnin'. I, of course, was ABSOLUTELY furious and Rover wouldn't do anything to assist.

So, being super skeptical about dog sitters, I stumbled across Liz with Critter Sitters and she made me believe in Dog Sitters again! She was prompt on visiting my pups, fed and played with them (totally watched her on our dog-cam, dance around my living room playing tug-a-war with my 120lb Great Dane), and made sure they went potty and ate all their food. It was an absolutely amazing experience and I would totally recommend Liz for anyone's dogs - Big or Small!!! <3
